Dear Tiffany,

I wanted to again congratulate you on the incredible success that you are having in your business. As we spoke on the phone, I was so impressed with the ways that you have implemented the tools of ***Guerrilla Publicity*** to further your efforts.

Since we met last fall I have been impressed with your tenacity, your ingenuity, your commitment, and your focus. You are a fast learner with an appetite for success.

My hope is that many individuals and companies will hear your message and be encouraged and empowered!

Much success,

Jill Lublin
